

PRAJA SEVA SAMAJ (PSS), KADIRI Testimonials related to COVID – 19

Mother belongs to Kutagulla expressed that “our elder son is disabled, who is enrolled in PSS. I should be with him throughout day. My husband is the only earning person in our house. Due to lockdown, we are staying at home since 2 months without any livelihood option. This is unexpected situation and not able to feed our children due to lack of income source. I am worried about that, even after lockdown relief also we could able to find livelihood as earlier. In this situation, PSS distributed food basket and hygienic kit to us, which help to overcome our starvation. I take this opportunity to express our gratitude to PSS for their supportive hand.

Ms. Reddemma, Lead Mother and Mother of enrolled child expressed her happiness that, “serving as Lead Mother to mothers and children is giving utmost satisfaction to me. I received Livelihood support for tailoring. During this lockdown period, I am stitching Masks and distributing to co-mothers besides sensitizing them on importance of wearing masks and regular practice of proper handwashing. I am utmost thankful to PSS for giving this opportunity.

Child Club representative Lavanya, expressed here happiness against the provision of creative article material such as drawing sheets, crayons, water colours, sketch pens, etc., to all the children through Child Resource Centre. During lockdown, we are spending our time on drawing, story books reading and other creative article making activities, these activities helping us to overcome stress and sharpen extra-curricular skills. I share my sincere thanks to PSS for generous support.
